- **Your donation** is 100% tax deductible as we are 501c3 nonprofit organization dedicated to the advancement of healthier communities. We provide a Preschool—8th grade alternative education option that emphasizes healthy living, personal independence and contributing positively within a community. Our students learn experientially and are a part of the process of growing foods for their school and those in need in rural Madison County. Your tax deductible donation supports the growth and sustainability of that effort.

We look forward to partnering with you should you find our mission is a good match for your business. **Learn more at: madisonccclc.org**
